

AN INTRODUCTION TO SCALE MODELING

The Airplanes Model Making Workshop by F-4DableModels offered an engaging introduction to the world of scale modeling, guided by our skilled in-house model builder at Level 1, The School.

Participants had the opportunity to experience hands-on learning, mastering techniques such as cutting parts from sprues, precise cleaning, assembling with plastic model cement, expert puttying, and intricate painting.

Don't miss this opportunity to unleash your creativity and register for the next session at https://shorturl.at/jtNmY.
