Unleashing Halloween Magic for Kids and Families!

The Halloween Kids Bazaar by Le Shiji was a fantastic weekend filled with fun and treats for families! Attendees enjoyed delicious waffles, madeleines, and mochi bread, while moms indulged in spa pampering at Level G, The School.

Guests explored creative cocktails and beverages, and families participated in activities like cooking workshop, face painting, and crafts. Shoppers discovered kids' items, toys, LEGO sets, and an array of Halloween-themed merchandise. We can't wait for the next celebration!
