

# Dive into Scale Modeling

## Ships Model Making Workshop by F-4DableModels

### Hands-On Learning and Creative Fun

The Ships Model Making Workshop, hosted by F-4DableModels, offered an immersive experience in crafting intricate ship models. Attendees, whether seasoned or new to model making, engaged in cutting parts from sprues, cleaning, assembling with plastic model cement, puttying, and airbrush painting. They received expert guidance, unleashed their creativity, and connected with fellow enthusiasts.

The workshop was a fantastic opportunity to hone skills and share passions. We extend our thanks to everyone who participated and contributed to a successful and enjoyable event. We look forward to seeing you at future workshops! RSVP at <https://shorturl.at/jtNmY>.
