Mini Garden Creations

Cultivating Creativity with A Memorable Terrarium Workshop

The Terrarium Workshop with Bazaar Blizz Market was a fantastic hands-on experience at Level 1, The School!

Participants had a wonderful time creating their own mini gardens, bringing a touch of nature into their homes. This workshop was perfect for plant lovers and DIY enthusiasts alike, providing a unique opportunity to get creative and learn about terrarium-making. Thank you to everyone who joined us for this delightful event—we loved seeing all the beautiful creations!
