A SPOOKTACULAR VIBE AT PET PALOOZA 2.0

HOWL-O-WEEN EXTRAVAGANZA WITH FURRY FRIENDS!

The Pet Palooza 2.0 Pop-up Market by SkyGazer was an unforgettable weekend filled with spooky vibes at Level G, The Square! Our furry friends enjoyed a delightful array of goodies, from nutritional supplements and tasty durian biscuits to handmade desserts and beautifully crafted collars.

For the humans, there was plenty of fun to be had with refreshing Bornean tuak, bing fen, and crispy favorites like fries and mac & cheese. Thank you for joining us, and we can't wait to see you all next weekend for even more fun!
