A Culinary Adventure for Kids!

The Child Kitchen Workshop by IPPUDO MALAYSIA was an exciting event at Level G, The School! Our little chefs had a blast learning to make gyoza, maki rolls, and ramen from scratch. We hope everyone enjoyed their cooking experience, the complimentary 3-course meal, and received their certificates!

A huge thank you to IPPUDO for making this a memorable day! We look forward to welcoming everyone back for more fun in the kitchen!
