A MAGICAL WEEKEND

AT HAUNT & HANDMADE

# CRAFT, CREATE, AND CONQUER!

The Haunt & Handmade event by Craft Affair Malaysia and Larp Malaysia at Level G, The School, was a delightful blend of creativity and spooky fun! Attendees explored a range of artisanal crafts and unique lifestyle products while enjoying activities like divination, potion brewing, and ConQuest Games.

A variety of workshops, including bento cake decorating, coaster painting, slime making, bath bomb crafting, beading, and even mask-making, kept everyone engaged. The lucky draw added excitement with fantastic giveaways. Thank you to everyone who joined us for this magical weekend!
